General Data Protection Regulation (GDPR)
The GDPR was recently approved and adopted by the European Union (EU). The GDPR is a regulation intended to strengthen and unify data protection for all individuals within the EU. It aims to protect the fundamental right to privacy and the protection of personal data.

What type of information do we collect on our website?
We receive, collect and store any information (correspondence) you enter on our website (contact or provide us in any other way. We may use software tools to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page. Currently, we do not use any software tools for tracking. Our website platform, Wix, implements cookies. See Table 1 below to view which cookies Wix implements. We collect personally identifiable information including name, email, communications, comments, feedback, recommendations and personal profile. We do not collect website statistical information including Internet Protocol (IP) addresses.

How do we collect information on our website?
When you conduct a message transaction on our website, as part of the process, we collect personal information you give us such as your name, address, email address and phone number. Your personal information will be used for responding to your initiating the message application for assistance or technical support.

Why do we collect information?
We collect Non-Personal Information and Personal Information for the following purposes:

1. To provide and operate Program services;
2. To provide our Users with ongoing customer assistance and technical support;
3. To comply with any applicable laws and regulations.
How do we store, use, share and disclose site visitors’ personal information?
We do not share or disclose site visitors’ personal information as this is designated NotPublic Data. Customer correspondence data is kept three years and then deleted or shredded according to the Minnesota Data Practices Act (MS 13.03).

Currently, we do not offer payment services on our website and subsequently no personal information such as payment details (credit card information) are collected through our website.

How do we communicate with our site visitors?
We contact our site visitors via website messaging application, email, regular mail, text or telephone when information is requested by said visitor. Other than that, we will not contact you further unless requested or asked to be placed on our newsletter list for regular mailing.

How do we use cookies and other tracking tools?
Cookies are small pieces of data stored on a site visitor’s browser, usually used to keep track of their movements and actions on a site. Currently, we do not utilize any cookies or third-party services such as Google Analytics or other third-party tracking technologies to track personal information. The only cookies we use are part of the Wix platform to run the website.

How can you withdraw your consent?
If you don’t want us to process your data anymore, please contact at:

Roseau County SWCD
